

HAND PAPERMAKING

display advertising

Hand Papermaking publishes a quarterly newsletter where all display and classified advertising appears. The journal *Hand Papermaking* accompanies the January and July issues of the newsletter. There is no advertising in the journal, but all newsletter display advertisers are listed and promoted on a special acknowledgment page. Display advertisers are also featured on our popular website and Facebook page.

Over the last 25 years, Hand Papermaking has developed a loyal subscriber base. With each issue we distribute approximately 1500 copies of the newsletter and journal through paid subscriptions and single copy sales. These publications are sent world-wide to individuals and institutions, including many noteworthy museums, libraries, and universities. Subscribers reflect the growing population of those interested in this field for artistic, educational, and environmental reasons. Hand Papermaking is an internationally respected publication. One fifth of the current subscribers are located outside of the United States, and the remainder live in 48 of the 50 states.

A print-ready pdf file is required, however we can produce artwork for your ad at a small additional cost. Your ad is reproduced in black and white for our printed newsletter; full-color is retained in the digital version with link(s) to your site.

First-time advertisers must pay in advance; we will invoice previous advertisers--net 30 days. Checks or money orders in US currency should be made out to Hand Papermaking. We also accept Visa or MasterCard (call 800-821-6604), and PayPal (send to payments@handpapermaking.org).
